Narratives

Summary of Distribution and Uses of NSP Funds:

The City of Henderson will seek partnerships with community based organizations as the primary program delivery method. The City of Henderson will provide NSP3 funds to one or more nonprofit community based organizations that have the experience and capacity to assist the City in delivering the NSP3 funding to the described areas of greatest need. The subsequent Agreements developed with the nonprofit community based organizations concerning the use of NSP3 funds will require utilization of funding within the two neighborhoods identified as the NSP3 areas of greatest need, as described in the Market Conditions section of this Action Plan. The City has identified the following activities to be used in addressing the three categories in the NSP statute within the identified areas of greatest need. The City will institute a Homebuyer Assistance Program (HAP) to be carried-out by the City to assist households with incomes which do not exceed 120% of Area Median Income (AMI). The City will provide funds to one or more nonprofit organizations to purchase and rehabilitate homes and then sell to households with incomes which do not exceed 120% AMI. The City will also provide funds to one or more nonprofit community based organizations to purchase and rehabilitate homes which will be rented to households with incomes which do not exceed 50% AMI.

How Fund Use Addresses Market Conditions:

The City of Henderson prioritized several census tracts for the first cycle of Neighborhood Stabilization funding (NSP1). Market conditions within two of these census tracts resulted in 14 homes purchased within these tracts. The City has prioritized neighborhoods within these two census tracts to receive targeted NSP3 funds. The City trusts targeting investment in these areas can have a positive impact and stabilize the neighborhoods.

Two neighborhoods will be eligible for NSP3 funding.

Neighborhood ID: 2945678 The Valley View neighborhood is bounded by Lake Mead Pkwy., Warm Springs Rd., Pueblo Blvd., and Burkholder Blvd.

Neighborhood ID: 1216705 The Green Valley neighborhood is bounded by Green Valley Pkwy., Sunset Rd., Valle Verde Dr., and the railroad right-of-way on the south.

The HUD Foreclosure Need website at <http://www.huduser.org/portal/datasets/NSP.html> was utilized as the data source in making determination. HUD data has determined that in order to stabilize the described Valley View neighborhood 32 vacant homes must be purchased and occupied and 8 homes in this neighborhood were purchased utilizing NSP1. HUD data determined that in order to stabilize the described Green Valley neighborhood 20 vacant homes must be purchased and occupied and 6 homes in this neighborhood were purchased utilizing NSP1.

Ensuring Continued Affordability:

The City will insure, to the maximum extent practicable and for the longest term feasible, that the sale, rental, or development of abandoned and foreclosed-upon homes and residential properties assisted with NSP3 funds will remain affordable to individuals and families whose incomes do not exceed 120 of area medium income (AMI). The City will protect it's interest in keeping homes affordable through liens on the deeds. The City adopts the HUD HOME program definitions and standards for affordability periods and includes these references in Agreements with nonprofit partners utilizing NSP3 funds. These affordability standards conform to HOME program standards for homeownership housing found in 24CFR92.254 and for rentals in 24CFR92.252 (a), (e), and (f). To insure affordability of units purchased with NSP3 funds the City will monitor each nonprofit on an annual basis to verify compliance for the duration of the required period of affordability.

Definition of Blighted Structure:

A blighted structure exhibits objectively determinable signs of deterioration sufficient to constitute a threat to human health, safety, and/or public welfare.

Definition of Affordable Rents:

The lower of HUDs published Fair Market Rents (FMR) or the most current Local Housing-Market Conditions rents as published by the UNLV Center for Business & Economic Research will be used by the City to establish affordable rents for the NSP.

Housing Rehabilitation/New Construction Standards:

The housing rehabilitation standards that will apply to NSP assisted rehabilitation activities will require that all buildings be brought up to local code, that required building permits be obtained and that appropriate inspections be performed. The City of Henderson Affordable Housing Program has existing established rehabilitation standards for use in existing rehabilitation activities. These locally developed standards meet the requirements of the existing HOME program and will be applied to NSP assisted activities.

Vicinity Hiring:

The City will insure, to the maximum extent feasible, all developers, subrecipients, contractors, and city departments utilizing NSP3 funding will provide for the hiring of employees who reside in the vicinity of the NSP3 projects or contract with small businesses that are owned and operated by persons residing in the vicinity of such projects.

Procedures for Preferences for Affordable Rental Dev.:

This activity will allow the City to provide funding to qualified community-based nonprofits to purchase and rehabilitate homes. The activity will include but not be limited to assisting one or more nonprofit organizations to purchase & rehabilitate homes and then rent the properties to households with incomes at or below 50% AMI. The City collaborated with the Southern Nevada Regional Housing Authority (SNRHA) on this activity using NSP1 funding and in addition to SNRHA the City will also partner with two community-based nonprofits in NSP3.

Overall Progress Narrative:

Internal staff is working on our HAP program and Non-Profits are currently seeking and rehabbing homes. Due to the lack of housing stock it is difficult to secure a property when we are up against investors who purchase homes over market value with cash.

Since our land bank project may not be moving forward we are considering other options with the funding obligated to this activity.

**SNRHA obligated amount is input correctly in DRGR; however, it is not showing up correctly in the QPR.

Activity Description:

This activity will allow qualified homebuyers with incomes which do not exceed 120% AMI to purchase homes and rehabilitate the home if necessary. It is not primarily intended that this activity will serve to address those income-qualified persons below 50% AMI; however there may be a small percentage of buyers who fall within this income category.

Location Description:

Although specific units are not known at this time all properties will be located within the two areas of greatest need identified in the Action Plan

Activity Progress Narrative:

Through our in-house Housing Assistance Program we have purchased and rehabbed four homes. We are in the process of completing rehab one home. Staff is having a difficult time finding housing stock due to low inventory and investors paying cash and over market value for the homes that are available.

Activity Description:

This activity will allow the City to provide funding to qualified community-based nonprofits to purchase and rehabilitate homes. The nonprofits will be selected through an RFQ or RFP process. The nonprofit can sell acquired homes directly to qualified homebuyers or lease with intent to purchase. This activity will serve to stabilize the priority area. It is not primarily intended that this activity will be used to address income-qualified households below 50% AMI; however some households falling within this category may be assisted.

Location Description:

Although specific units have not been identified at this time, all units will be located within the two neighborhoods of greatest need identified in the Action Plan.

Activity Progress Narrative:

HFN has purchased and is in the process of rehabbing 6 homes. There are letters of intent to buy on all 6 homes once the rehab is complete.
