INTERESTED CONSULTING FIRMS

RE: Request for Statement of Qualifications, UPDATES

Dear Interested Consultant:

You are receiving this notice because you have on file with the City of Henderson Public Works, Parks and Recreation Department Infrastructure Design and Construction Division a Statement of Qualifications (SOQ) to perform professional services. As you may know, the City of Henderson has not issued a formal request for Statements of Qualifications since 2008. At this time we are seeking updates to the existing SOQ information. You may also replace the information you provided in its entirety per the original request. The details of the submittal are available at www.cityofhenderson.com, Public Works Department, Opportunities for Contractors and Engineers, Request for Qualifications Update May 2014.

The list is not a closed list. Any firm can submit an update or an entirely new submittal at any time. If you have questions about the submittal process, categories, format, etc., please do not hesitate to contact the Infrastructure Design and Construction Division of Public Works, Parks and Recreation. If you would like to review your current SOQ submittal, please contact Rose Fuscaldo, Division Administrative Assistant, at our main phone number (702) 267-3068 or fax number (702) 267-3051.

If you have new contact information, key employees or revised organizational structure please get it updated by June 24, 2014. The Public Works, Parks and Recreation Department will be scheduling interviews for consultant selection the end of June. We look forward to continued interaction with your company.

Sincerely,

Edward "Ed" McGuire, P.E.
City Engineer
