

PROJECT GREEN STEERING COMMITTEE MINUTES

April 19, 2007

Silver Springs Recreation Center

Present:

1. Catherine Crowell
2. Curt Chandler
3. Pier Martin
4. Kristine Martin
5. Stephanie Oaks
6. Alex Heindl
7. Jonathan Tull
8. Susan Stater

Committee Reports:

1. Earth Day, April 21st- All plans have been made.
 - a. Food - breakfast from Coo Coo's and barbecue after projects are finished;
 - b. Sign posts- Curt will take the cement and water to each post. Signs will be put on posts next week. It was suggested that we put gravel in the post holes to aid drainage.
 - c. Plants- Curt will pick up 40 plants at the CCSN nursery on Friday. We won't need to irrigate because we are using DriWater, which should arrive next week.
 - d. Registration- Stephanie has all of the necessary forms and the people at the registration table will put together thank you packets for the volunteers.
2. Utilities Services will be digging up sewer pipes to stabilize for flooding. The pipes start west of Valle Verde from where our current trails end and run under Valle Verde to the east. Pier suggested running a water pipe in the hole to get water to the other side of Valle Verde for future planting.
3. Catherine suggested showing "An Inconvenient Truth" followed by a lecture to raise money for Project GREEN.
4. Curt talked to the state about a grant and it's being reworked so we can have more money for benches, etc. We can also use some of the money to build a walking bridge at Pecos so people can go from the north side of the Wash to the south side. We could have the Nevada Conservation Corps build trails on the north side.

Meeting adjourned at 7:20 p.m.

Next Meeting is May 17, 2007

Minutes by Susan Stater
