

PROJECT GREEN STEERING COMMITTEE MINUTES

6:00 p.m.

August 15, 2007

Silver Springs Recreation Center

Present:

1. Betty Ryan
2. Curt Chandler
3. Kelly O'Neill
4. John O'Neill
5. Brenden Scherr
6. Mike Colety
7. Jonathan Tull
8. Susan Stater
9. Susan Ritter
10. Evelyn Gajowski
11. Mike Zaccagnino

1. Mike Colety held a discussion of where the erosion products will be placed between Valle Verde and the railroad tracks. The purpose of these products is to stop the erosion on the slopes and in the Wash bottom. Vegetation will be able to grow through the products ensuring a natural look to the Wash again.
2. Future trails will be done by Scouts. One Eagle Scout project involves putting up interpretive signs and should be done this coming weekend. Discussion was held on deciding to move our work to the Pecos area now.
3. Evelyn Gajowski presented her work on the Kiosk text, 4th draft. Curt and the committee thanked her for her work on this project. The only discussion on changing any of the wording was (1) consolidate a few items (2) reword some phrases in a more positive approach to the defined actions.
4. National Public Lands Day Event:
 - a. We need to put up interpretive signs.
 - b. Susan will ask Mr. Stater if he can provide some refreshments.
 - c. Curt will also check with the City to see if they might provide some food/drink.
 - d. We need to look for companies that might help with providing food/drink for volunteer days.
5. Management Plan Update: Curt thanked everyone for their input on the plan. The surveys should start by the end of August.
