The popularity of Henderson's Third Thursday continues to grow and event organizers are adding activities and attractions that draw Henderson Residents to the Water Street District in the heart of Henderson.

Quickly becoming one of Henderson's unique cultural events, and most popular arts programs. Third Thursday is held on the third Thursday of each month between 5 and 9 p.m. Third Thursday's new art's walk highlights the diverse arts and historical venues located along Henderson's Water Street and surrounding area and promotes and provides art education to children.

The welcoming atmosphere of Third Thursday attracts crowds of casual browsers as well as buyers to each event, with art galleries, business and dining establishments hosting receptions and exhibition openings. The relaxed and spontaneous atmosphere brings the community together in greater appreciation of the arts.

Third Thursday is an evening of celebration and art appreciation for the whole family. In addition to the art galleries, coffee houses and restaurants, Third Thursday organizers also provide local musicians with venues to perform.
