PURPOSE

The purpose of this schedule is to provide uniform prices and charges in effect for facility rentals, activities and programs in City of Henderson Public Works, Parks and Recreation Facilities beginning January 1, 2019. This schedule replaces any current schedules and establishes a framework to ensure that all activities are conducted in a manner that limits the impact to facilities and assists the city in recovering the costs of providing such activities and services.

AUTHORITY

The Public Works, Parks and Recreation Department, as a part of the Cost Recovery Program policy will evaluate rates every two years and may propose pricing charges if warranted. In 2017 a formal pricing study was conducted by Zion's Bank the recommended changes were approved by Mayor and City Council at the City Council Regular meeting August 21, 2018.

GENERAL PROVISIONS

The Director of Public Works, Parks and Recreation reserves the right to:

At events/tournaments where an applicant charges admission/team entry, or at commercial events/tournaments, a service charge agreement will be negotiated to ensure costs incurred by the city are recovered. When appropriate, the department may also negotiate a percentage of sales with vendors to recover or offset costs incurred by the city.
