

Celebrate Life Program Application

City of Henderson Parks and Recreation Department

- **Park benches and tables** are available with or without plaques. **Please Note:** The park coordinator will decide where the bench/table will be located in the park of your choice. Not all parks will have space available.
- **\$200** will purchase a new park tree, which includes a personalized certificate presented in a City of Henderson folder. The honored person's name will be posted on the City of Henderson website. The tree is a 24" box tree with a 1-3 inch trunk diameter and is 10-12 feet high. Plaques are no longer available for trees.
- **\$125** will purchase an existing park tree, which includes a personalized certificate presented in a City of Henderson folder. The honored person's name will be posted on the City of Henderson website for one year. Plaques are no longer available for trees.

The city provides lifetime care and maintenance for the trees, benches and tables.

The department will replace a tree if it is vandalized or if the tree does not survive. The city will replace benches, tables and plaques that have been vandalized or become unserviceable. Commemorative trees include the tree only.

Additional decorative materials such as plaques, pictures, flowers, or other decorations are not allowed to be attached to the tree, placed in the tree wells, or otherwise displayed within the parks.
