

Bite Free

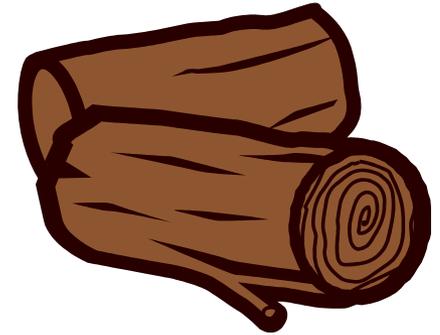

That's Me!

Stand like a tree

or lie like a log,

if you're approached

by a stray strange dog.

Use your back pack

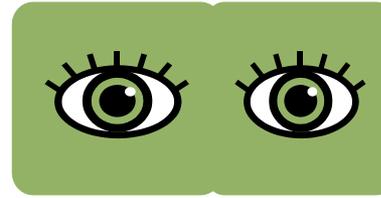

or your bike,

between you and the dog

he'll take a hike.

**Don't stare in his
eyes**

this could make him mad

He might think you're a bully

and this would be bad!

**Do not make noise
or try to run.
Being chased by a dog
is no fun!**

**You can't out run a dog
and why?**

**He has more legs
so don't even try.**

**Do not go near
a dog in a car.
Walk around and
stay away far.**

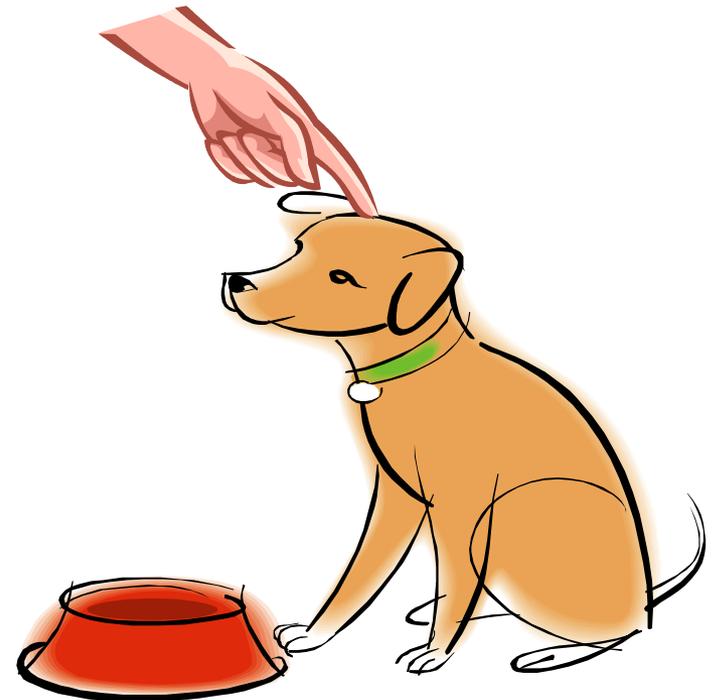

**Do not go near
a dog tied up,
even if he seems
like a pup.**

**Ask the owner
before you pet
a dog on a leash
if you've never met.**

**And always ask
the owner instead
of walking right up
and touching the head.**

**If you follow the rules
of dog safety you'll see**

**you'll be happy and smiling saying:
“Bite free, that's me!!”**
