Drainage Compliance Report

Permit #: _____

Date: _____

Address: _____

Subdivision Name: _____

(when applicable)

SECTION I

I hereby acknowledge that I have reviewed the approved plans and have observed the site conditions at the time of final construction, and attest that lot and site drainage are in substantial compliance with the most current City of Henderson approved drainage or plot and grading plan, as applicable.

If certified by a Nevada Licensed Engineer, affix seal, sign, and date.

Developer: _____

Signature: _____

Title: _____

Firm Name: _____

SECTION II

This section must be completed by a Nevada Licensed Civil Engineer and need only be completed when engineered drainage features, facilities, and structures are required by approved plans.

I hereby acknowledge that I have reviewed the approved plans and have observed the site conditions at the time of final construction, and attest that engineered drainage features, facilities and structures required by the most current City of Henderson approved drainage or plot and grading plan, as applicable, are substantially complete.

Affix seal, sign, and date.

Firm Name: _____

Return completed certification to the Development Services Center.
