PERMISSION TO EXCEED AIRBLAST STANDARD USING EXPLOSIVES

I, _____ (the undersigned), am the legal owner of the building located at _____, Henderson, Nevada, and with my signature I hereby give my permission for blasting with explosives to exceed the airblast standard as specified in the City of Henderson Blasting Ordinance Section 15.33.130.05.

I understand that the City of Henderson Blasting Ordinance prohibits the use of explosives from exceeding 120 dBL unless written permission of the building owner is received. By signing below I give permission for the airblast limit to be raised to 133 dBL for the duration of this permit.

I have met with the Blasting Company and fully understand the risks associated with blasting.
