

Code Enforcement at Work

The **Code Enforcement Division** of the Community Development and Services Department ensures safety and compliance within the City of Henderson. This work supports a vibrant community by ensuring code compliance, safe and properly maintained buildings and properties, and neighborhood enhancement efforts. Officers enforce many of the City's municipal codes, which contribute to Henderson's quality of life and property values.

Code Enforcement Addresses:

- » Illegal Signs
- » Inoperable/Unregistered Vehicles on Private Property
- » Stagnant Water/Green Swimming Pools
- » Abandoned Home Registry
- » Trash and Debris Removal
- » Building Without Permits
- » Substandard Living Conditions
- » Other Related Issues

Clean Up Your Neighborhood!

Are you interested in making a difference in our community and getting to know your neighbors? How about coordinating a neighborhood cleanup? The City of Henderson has a variety of resources that can help.

BENEFITS OF CODE ENFORCEMENT

- » High aesthetic value and a sense of community through properly maintained buildings and neighborhoods
- » Safeguard property values and attractive neighborhoods
- » Clean and safe living environments for all residents
- » Removal of possible health and safety threats to residents
- » Hands-on resident engagement and case-by-case problem solving

CODE ENFORCEMENT BY THE NUMBERS (2018/2019)

4,000 new cases

3,997 cases resolved

5,640 violations

607 abandoned residential property inspections

DID YOU KNOW?

According to the 2013-2017 American Community Survey, *Henderson's median home value is 38% higher* than the U.S. average, **25% higher** than Clark County and **27% higher** than the City of Las Vegas.
