GREETINGS FROM MAYOR DEBRA MARCH

Welcome to the City of Henderson!

As Mayor, I have the privilege of representing one of the most vibrant and exciting communities in America. We take pride in providing our residents with the best services and amenities possible. Situated in sunny southern Nevada, our residents enjoy the highest quality of life in the Las Vegas Valley. It is my pleasure to share with you what makes our thriving city a premier community.

Incorporated in 1953, Henderson is Nevada's second largest city and home to more than 310,000 residents. Our city has been recognized time and again as one of the "Best Places to Live in America" by *Money* magazine and others. With nationally accredited police and fire departments, Henderson has also been named among the safest cities in America for its size.

Our favorable tax structure, award-winning parks and trails, incredible climate, outdoor amenities and outstanding master-planned communities all combine to help make Henderson one of the best places to live, work, play, or retire. Henderson is also home to thriving cultural arts and nationally recognized special events, but we work hard to retain our small-town values and atmosphere. Annual events and local parades are still held in the Water Street District, our original "main street."

With world-class resorts, restaurants, golf courses, spas and shopping, Henderson is also just minutes from McCarran International Airport, and sits directly between the I-15 and US 95 corridors, making it easy to travel to and from our city from anywhere in the United States or around the world. And our community focus on healthy lifestyles, healthcare, economic development, and quality education help ensure that businesses and families alike will have the resources and amenities they need to be successful.

If you still have questions after reviewing this booklet, I encourage you to contact us by phone, mail or through our website at cityofhenderson.com. I also encourage you to follow us on our social media channels including Facebook, Twitter, Instagram, YouTube, and NextDoor. We would be delighted to hear from you and help in any way we can.

See for yourself why Henderson is the place to call home. I look forward to welcoming you to Henderson very soon!

Sincerely,

Debra March, Mayor
City of Henderson
