

## **Geotechnical Submittals Information:**

### **How do I submit a report for public works materials review?**

The following report types can be submitted through our [Contact Henderson](#) portal:

Final Grading Report  
Geotechnical Report  
IQAC Asphalt Mix Design  
IQAC Type II  
Native in Lieu of Type I  
Pavement Design Report  
Pavement Verification Report  
Select Backfill Report

Our materials lab staff will review your report and provide your results within 10 business days of receipt.
