Description:	Meter to PVB The results of the leak detection show multiple leaks on the mainline from the meter to the pressure vacuum breaker, making a spot repair impractical. This quote is replace the mainline from the city meter to the house at the pressure vacuum breaker and to leave the line from the pressure vacuum breaker to the main shut off in the garage intact. This quote is assuming that there are no leaks between the PVB and the main shut off in the house . Customer understands that if there are additional leaks, then we will have to move forward with replacing the run from the PVB to the house. This repair will involve digging a 12 to 16 inch deep trench from the meter to the pressure vacuum breaker. Every attempt will be made to tunnel under the city sidewalk but if it proves not possible a change order will be submitted to cut and replace the concrete. The material used for the repair will be 1 inch Wirsbo pex pipe that is protected by a 25 year manufacture warranty. This pipe will be sleeved and encased in sand to prevent punctures. A new pressure vacuum breaker will be installed and the Thai made two the line that runs to the main water shut off in the garage. Vegas Valley Plumbing cannot warranty the connection onto the existing polybutylene line. Vegas Valley Plumbing warranties all parts supplied by Vegas Valley Plumbing and all labor performed for a period of two years. Lateral Repair (Sewer or Water)	Vegas Valley Plumbing LLC	04/29/2024

Description:	We have accidentally installed 2 banners - professionally designed, printed, and installed with landlord approval (thought this was all we needed). We received a letter to take them down so I am trying to do the right thing getting permits for them now. They are absolutely essential and have worked due to the fact that I took over from a horrific 2 years of prior ownership that chased many loyal customers away. Since install just 1.5 weeks ago, we have seen major increase in traffic and many of the old customers back. I am only asking for a way to get the word out. We have done mailers and door to door marketing to our catering customers to help support this message. The advertise under new ownership as the files attached will show.
