

The Office of Public Response of the Community Development and Services Department ensures safety within the City of Henderson. This team supports a vibrant community through the enforcement of City codes, safe and properly maintained buildings and properties, and neighborhood enhancement efforts. Officers help residents and businesses adhere to many of the City's municipal codes, which contribute to Henderson's quality of life and property values.

Code Compliance Addresses:

- » Illegal Signs
- » Inoperable/Unregistered Vehicles on Private Property
- » Stagnant Water/Green Swimming Pools
- » Abandoned Home Registry
- » Trash and Debris Removal
- » Building Without Permits
- » Substandard Living Conditions
- » Park Code Enforcement
- » Other Related Issues

Henderson Homeless Response Team (HHRT)

The HHRT partners with the Salvation Army to identify individuals in need of services and provides engagement, case management, health and safety, transportation and emergency shelter for those experiencing homelessness in Henderson. The team works with other internal and external providers to provide services.

BENEFITS OF CODE COMPLIANCE

- » Increase aesthetic value and a sense of community through properly maintained buildings and neighborhoods
- » Safeguard property values and attractive neighborhoods
- » Promote a clean and safe living environments for all residents
- » Remove possible health and safety threats to residents
- » Provide hands-on resident engagement and case-by case problem solving
